3. **Planning Matters**

4.1 DC/18/0563/H Householder Planning Application - Front entrance porch (following removal of existing canopy) LOCATION 9 Mere View, The Street Great Livermere IP31 1JU
APPLICANT Mr Paul Todd

The Parish Council has several objections to this application:

They feel that the proposed new porch is not in keeping with the other properties in Mere View, the symmetry of the existing porches is an attractive feature and important characteristic of this area. There are concerns over how it will actually be attached to the adjacent porch and the loss of light potentially to be experienced by the neighbouring property. The fact that the client has received no comments, from Havebury, does not mean that Havebury will be prepared to carry out any required adjacent works. This matter would need to be resolved, prior to any works being carried out, if the application were to be successful. There was also some concern that neighbouring properties have not received notice of the proposed application.

5. **Date for next meetings:** 22 May 2018.

6. **To consider the exclusion of the public and press in the public interest for consideration of the following items:**
